December 2011

4th of July

The Fireworks display is always amazing over the Sound. The kick off of the Summer and, lucky for a long weekend, the events bring together many families and crowds upon the beach. Many thanks to the Fireworks Committee and the Police Department for a successful year.

Heights Beach Updates

No consensus has been reached on the caretaking of the beach lot. Representatives of the FHMIA have meet with the abutters and the Selectmen over the course of the summer as well as the Beach Committee. There was discussion of becoming a pay lot in the evenings for next year to defray the cost of the attendant. With new Beach Committee members and a new Town Manager, the Association will request ongoing negotiations to support the neighborhood.

Road Race Transformation

With a new sponsor and new management, the road race had a different feel this year. The FHMIA has contacted the management for next year's race and plans to partner in a successful 2012 event for all.

Town Hall Changes

The Selectmen have appointed a new Town Manager, Julian Suso. We look forward to working closely with him in the preservation of our community treasures.

Long time President of FHMIA has stepped down. Winifred Grant has decided to take a relaxed role on the Board of the Falmouth Heights Maravista Improvement Association. We thank Winnie for her many years overseeing the projects and concerns of the residents.

New 5K Road Race

Started by Rich and Kathy Sherman and Jo-Ann Leas, cofounder of the Falmouth Road Race, is a 5K to benefit Falmouth military families and runs along our familiar route in June.

NEW OFFICERS ELECTED

At the October board meeting of FHMIA, new officers were nominated and elected. We welcome Howard Grosser as President and Paula Lichter as Vice President. Returning as Treasurer and Secretary is Kevin Smith and Ellen Hanley, respectively.

Traffic Advisory Committee

Members of FHMIA annual meeting have voted to request a stop sign at Grand Avenue and Jerico Path. A few members are also in discussion with the Traffic Advisory Committee to endorse the idea of creating a pedestrian lane along Worcester Court.

We would like to wish all our members and their families a wonderful Holiday Season and a healthy and safe New Year.

Our website is a success! When new news is added, an email is forwarded to members alerting them so they can easily access the site and need not worry about missing anything. If you have an email address but have not given it to us yet, please email info@fhmia.org to ensure timely notification.
